PROFESSIONAL SUMMARY

Senior Frontend Developer with 3+ years of experience building scalable, high-performance web applications using React.js, Next.js, TypeScript, and Tailwind CSS. Specialized in server-side rendering (SSR), static site generation (SSG), Core Web Vitals optimization, and component-driven architecture. Experienced in AI-assisted development workflows and delivering accessible, SEO-friendly, pixel-perfect user interfaces.

SKILLS

Languages :	HTML5, CSS3, JavaScript, TypeScript
Frameworks & Libraries :	React, Next.js, Svelte, Tailwind CSS, shadcn/ui, Redux, Zustand
AI Assisted Development :	Cursor AI, Lovable, Prompt Engineering
Backend & Database :	Supabase, Node.js
Performance & Seo :	Core Web Vitals, SSR/SSG, Technical SEO, Web Accessibility
Soft Skills :	Problem Solving, Debugging, Communication, Teamwork, Collaboration
Tools & Platforms :	Git, GitHub, GitLab, VS Code, Cursor, NPM
Languages Spoken :	English, Urdu

PROJECTS

Style Book — Salon & Spa Management Platform

Feb 2026 - Mar 2026

Frontend Developer

- Built a full-stack Salon & Spa management platform with separate **business dashboard** for owners and a seamless **customer-facing booking interface**.
- Developed features including **appointment scheduling, service management, and customer management** using Next.js, TypeScript, and Supabase.
- Designed a fully responsive, modern UI with **Tailwind CSS and shadcn/ui** ensuring smooth experience across all devices.

Technologies / Tools Used : Next.js, Tailwind CSS, TypeScript, Supabase, shadcn/ui

AI-Tools-Hub

May 2025 - Jun 2025

Frontend Developer

- Engineered** a centralized platform to discover and categorize modern AI tools, enhancing user accessibility to AI resources.
- Implemented** advanced filtering and search functionality to provide a seamless user experience.
- Optimized** frontend performance for fast loading speeds and **SEO friendly** metadata.

Technologies / Tools Used : Next.js, Tailwind CSS, Framer Motion, shadcn/ui

Hospital Management System (ERP)

Jan 2025 - Mar 2025

Frontend Developer

- Developed** a comprehensive ERP solution to streamline hospital workflows, including patient registration and appointment scheduling.
- Architected** a clean UI using **React.js** and **Tailwind CSS**, focusing on dashboard usability and data visualization.
- Integrated** secure data handling and state management to ensure real-time updates across the platform.

Technologies / Tools Used : React.js, Tailwind CSS, shadcn/ui

WORK EXPERIENCES

Senior Frontend Developer | Full-time

Jan 2026 - Present

Axionix X PTV LTD

On-site • Danyore, Gilgit

- Built SEO-optimized, server-side rendered web apps using **Next.js** and **TypeScript** for fast performance and better search visibility.
- Designed responsive, accessible UI components with **shadcn/ui** and **Tailwind CSS** following consistent design systems.
- Integrated **Supabase** for real-time database, authentication, and secure API handling in dynamic applications.
- Developed type-safe, scalable frontend architecture using **React** and **TypeScript** with component-driven best practice

Technologies / Skills Used : React, Next.js, Supabass, Tailwind CSS, shadcn, typescript, GitHub, Vercel

Frontend Developer | Full-time

Apr 2025 - Dec 2025

Leopards Media

On-site • Gilgit

- Built scalable, mobile-first web interfaces using **React.js** and **Tailwind CSS** with reusable component architecture.
- Integrated **RESTful APIs** and optimized frontend performance in collaboration with senior developers.
- Enhanced app speed, accessibility, and **SEO visibility** using modern web standards and best practices.

Technologies / Skills Used : React.js, Tailwind CSS, JavaScript (ES6+), Next.js, GitHub, Vercel

Frontend Development | Internship

Oct 2024 - Jan 2025

North Amis Technologies

On-site • Gilgit

- Engineered responsive websites using **HTML5, CSS3, JavaScript**, and **Bootstrap** with strong UI/UX principles.
- Boosted search visibility by implementing **technical SEO** best practices and clean semantic markup.
- Managed source code using **Git/GitHub**, participating in code reviews and team sprints

Technologies / Skills Used : HTML, CSS, JavaScript, Bootstrap, UI/UX, GitHub

EDUCATIONS

WISDOM SCHOOL AND COLLEGE DANYORE, GILGIT | Danyore, Gilgit

Aug 2023 - Apr 2025

HSSC (Intermediate)

CGPA : 3.3

- **Key Coursework:** Computer Science, Mathematics, and Statistics.
- **Technical Basics:** Programming Fundamentals, Logic Building, and Operating Systems.
- **Core Skills:** Strong analytical thinking and structured problem-solving.
- **Academic Performance:** Maintained a consistent **3.3 CGPA**

CERTIFICATIONS

Introduction to Front-End Development | Coursera

Aug 2024

- **Core Skills:** Gained foundational knowledge of **Web Development**, including how the internet works and the roles of **HTML5, CSS3 & JAVASCRIPT**.
- **UI/UX Basics:** Studied the principles of **User Interface (UI)** and **User Experience (UX)** for modern web applications.
- **Professional Tools:** Introduced to developer tools like **VS Code, GitHub**, and browser inspection techniques.
